SHCC Barber Shop

Hello Everybody and happy March to you all. If you haven't heard, I am back from my Hip Replacement Surgery as of 2/27 but on the advice of my doctor I will be working half (ish) days to start. I am still going to physical therapy and getting stronger every week so hopefully by April I will be back to a 100% workload. In the meantime please remember to book your appointments early and please bear with me during my transition back.

On a separate note I would like to remind everyone to wear that sunscreen when you are out on the course or just outdoors in general.

At your service,

Chris Montoya

FROM THE BOARD

Daryl Imler

I wanted to update the membership regarding the unpleasant odor in the Pro Shop, adjacent to the main stairwell and outside the Bob Cope Room. We hired a contractor to complete a comprehensive analysis of the plumbing/waste system from the inside out with the use of cameras to capture internal pictures of the pipes to figure out exactly what we are dealing with. Initial results show that the waste system is structurally sound and the issue lies with the deterioration of the venting system within this area. We have changed out many vent pipes above the Golf Shop, under the Main Bar and in the walls next to the Cope Room. There are other areas that we cannot access unless we tear the Club down to the studs, which is the last thing we want to do. Bottom line, the Board of Directors is committed to fix the problem once and for all no matter what the cost! We are hopeful to put another challenge behind us! Updates to the membership will be sent as additional information is available.

On another note, I cannot express how critically important it is to take care of our fine golf course in the rainy conditions. Staying completely on the cart paths when we are restricted to “cart path only” conditions eliminates the need for rut repair and restoration of damaged turf. Also, when the turf is soft and wet, divots are very easily repaired by replacing the divot and/or kicking in and leveling the damaged grass. A good philosophy to live by is to repair the condition in a way that the result is what YOU would be pleased to play out of or through whether it be in the fairway, rough, sand bunker, or on the green.

Lastly, I hope to see all of you at the Presidents dinner on Friday, March 29th! I am planning a casual evening with a crooner to kick off the evening and some golden oldies after dinner.

For Your Information

There are apps available for those who might like alternative means of transportation to and from the club. The apps are available for free and will run on apple and android devices. A couple of available service apps are as follows;

Taxis https://taximagic.com/en_US

Uber, <https://www.uber.com/>

For Your Safety

Defibrillators are located in the Golf Shop
and at the Front Desk.

MANAGER'S CORNER

Chris Banner

Rain, rain go away. It is odd to think that when I wrote my March Green Tee article last year, I was hoping for any little bit of rain. This year it's a completely different story. This winter we have had just over 21 inches of rain, sometimes enough to create havoc on the golf course. I must commend Brett DeBie, Ramon Carrillo and their crew for working tirelessly to keep the course in a playable condition even with all the adversity.

I would like to thank all the members who supported the recent Valentine's Social. The evening was a huge success with Members and their guests enjoying an evening of dancing and camaraderie. Moving forward, our Social Activities calendar is going to keep you busy in 2019. Upcoming we have our Wine Tasting Friday with over 100 plus wines to sample and Chef Jeff's delectable hors d'oeuvres. We also have our St. Patrick's Celebration on Sunday March 17th and the Spring Chef's Dinner on March 24th. Let's not forget the President's Bash on March 29th celebrating all Presidents of SHCC. Looking into April, our Traditional Easter Brunch Buffet on April 21st promises to be an indulgence of festive favorites and not to forget the Easter Bunny, petting zoo and Egg Hunt on the fairways.

Looking into May, events include a Cinco de Mayo Celebration with "South of the Border" favorites and mariachi entertainment. Beyond May, we are planning several specialty wine dinners with featured wineries paired with delectable cuisine. Please contact the Club to make your reservation today as it's an exciting time with numerous upcoming events.

Lastly, don't forget to join us for "Wine Down Wednesdays" for special wine deals and happy hour appetizers. It's the perfect way to break up your busy week.

TEAM PLAY TIPS

1. **Team play** is a **partnership** event – **two partners-one ship!!**
 - a. Forget your score, play to win with strategy and by helping one another.
 - b. Play or putt out of turn if it helps your partner.
 - c. Ask or give advice to your partner if needed.
 - d. Do not stand directly behind your partner when he or she is preparing to make a stroke. Watch the putt break or the speed from the other side of the hole.

2. **Before starting play:**
 - a. Ask your opponent if their handicap on their card is correct. If you don't and later you discovered they played to a higher handicap it is **too late to file a claim**.
 - b. Count your clubs! Make sure you only have fourteen (14).

3. **Remember:**
 - a. You may always **immediately** recall an opponents shot played **out of turn or from a wrong teeing area**.
 - b. There is **no penalty** if you or your opponent moves their ball **during search** but it **must be replaced**, not dropped at a spot estimated if not known. **One stroke penalty if dropped**.
 - c. Always lift your ball if you think it will assist your opponent or have any other ball lifted that might interfere with you or your partner. If you are on the green in a position to help your partner's next shot, **DON'T RUN UP & MARK IT!!** Wait to see if your opponent asks.

Don't Forget:

- a. You may **always** play a ball from where you last played from - **Penalty One Stroke**.
- b. If you have a claim, you **must make it before anyone plays from the next tee** it's **too late unless** you were not aware of a previous breach.

Playing By The Rules

*By: Carol Stewart, USGA/PGA/SCGA
Rules Official*

Dropping the Ball: The ball **must** stay within the **specific drop area**. If ball rolls out, a **redrop is required**. Drop **twice then place it**. If taking an **unplayable ball** and the ball rolls back into the same area you **must redrop** under the **penalty of one stroke each time you drop!** You might want to go back & play from where you **made your last stroke** before dropping. Consider playing from where you last played your ball from.
