FROM THE BOARD

Daryl Imler

As a Patriot of our fine country and believer in mankind, I thought I might reflect a little to our fine membership before the end of my Presidency.

I was deeply impressed by the eulogies for President George H. W. Bush. Especially this comment by Senator Alan Simpson of his lifelong friend.

“Of all the people I've met, there's no one who better exemplifies the qualities you'd want in someone -- integrity, kindness, humility, and strength. When you're around him for very long, you tend to put aside all that he did for our country, not just in public service, but in the military, and you just see one of the best men you'll ever meet."

I think we can all be better people if we strive to exemplify just some of the qualities referenced by Senator Simpson! Be good people and enjoy the best life has to offer!

Here are some other quotes I hope you will find enlightening!

Hatred corrodes the container it’s carried in!

Heed your best instincts!!

Die young as late as possible!

Do the right thing!

Tolerance is a virtue!

Don’t blame others for your setbacks!

When things go well, always give credit to others!

As you succeed give thanks to others!

I owe many thanks to many people and I will continue to express my thanks to those who have assisted me during my time at South Hills, especially in the last year as I served you as your President. I am honored to be a part of our great Club!

SHCC Barber Shop

Hello everyone and happy Spring to you all.
As I continue to work part days I want to take a moment to remind everyone to please book your appointments early (a week in advance if possible). My doctor has yet to release me back to standing for more that 4-5 hours a day so I’m limited on the number of clients I can see each day. Thank you for your continued support and patience and as always, I wish you all health & happiness.

At your service, Chris Montoya.

Now the rains have subsided, this is my favorite times of year since the time has changed, the longer days affords you the opportunity to tee off later in the afternoon and still get a full round in before dark. Come out and play.

In typical South Hills Tradition, the Easter Champagne Brunch Buffet on April 21st will feature a vast buffet, petting zoo and let's not forget, the Easter Egg Hunt. I'm especially looking forward the Caymus Wine Dinner that is scheduled for April 5th with Chef Jeff pairing an outstanding dinner with Napa Valley's best. Sunday, May 5th we will host our Cinco de Mayo Celebration with traditional Mexican fare and mariachi entertainment, let's not forget to mention the tequila. Also, Mother's Day is right around the corner on Sunday, May 12th and we will be our traditional Champagne Brunch Buffet in honor of all Mothers. Make your reservation today for these great events.

It's hard to believe, but the South Hills Swim Team is already gearing up for another exciting season as the Sharks look to capture the top spot in the Sunkist League. The Junior Activities Committee is launching the swim season along with the summer golf and tennis activities on Sunday, April 7th with their "Kick-Off" event. We will have early bird registration discounts during the event so come out to see what all the buzz is about.

Don't forget to join us for "Wine Down Wednesdays" for special wine deals and happy hour appetizers. It's the perfect way to break up your busy week.

South Hills Member since 1993. Served on the Board and have been a two-term President in 2007 & 2008. I have served on the Tournament, Greens and Governance Committees. Currently, I am Chairman of the Greens Committee.

I have been married to Barbara for 41 years.

I have one grown son, Kevin who is also a member.

I've lived in San Dimas for 25 years and own Lock-Ridge Tool; a sheet metal manufacturing company in Pomona that was started by my father in 1962.

I have been a member of Thursday Team since 1996

I am honored to be considered for the Board and will serve to the best of my abilities.

Thank you for the opportunity.

Tom Reh

I have been a member of SHCC since 1981

I have been married to Stephany for 42 years and have 3 children and 11 grandchildren. Over the past 37 years I have served on the Board various times, including as President.

I have also served on the Finance Committee for approximately 20 years and been an active participant in the budgeting process during those 20 years. I have been a Saturday Team member for over 25 years.

I currently am Chairman of the Board for PerTronix LLC after serving as President from 1991-2016.

I am honored to be considered for the SHCC Board and, if confirmed, look forward to working with my fellow Board Members, other Committee Members and staff to make SHCC a place we can all be proud of.

Steve Chavez

South Hills Country Club is a very special place and I have been fortunate enough to be a member since 2005. My wife Kate and I have been married for 30 years and have two grown children Nick and Jaclyn. We recently became grandparents for the first time with the birth of our granddaughter Nora Grace. Over the years

I have been very active in the club. I have served as Chairman of the Tournament Committee and I am currently on the Greens Committee. I have been Thursday Team Captain for the past three years as well as serving on the committees for both the Billy Bell and Tres Dias Golf Tournaments. I have previously served on the board 2012-2014 at which time I spent two years on the Executive Committee as Secretary and Vice President. For the past 35 years I've been with All-Met Recycling Inc and am currently the CEO.

I am honored to be considered to serve once again on the Board of Directors and, if confirmed by the membership I will do my best to my best to help my fellow Board members guide SHCC toward continued success.
