## SHCC Junior Activities Parent Code of Conduct

We, South Hills Country Club, have implemented the following Parent Code of Conduct for the important message it holds about the proper role of parents in supporting their child in sports. Parents shall read, understand and sign this form prior to their children participating in our program. Any parent guilty of improper conduct at any competition or practice will be asked to leave the pool facility.

### *Preamble*

The essential elements of character building and ethics in sports are embodied in the concept of sportsmanship and six core principles:

### **Trustworthiness, Respect, Responsibility, Fairness, Caring, and Good Citizenship**

The highest potential of sports is achieved when competition reflects these "six pillars of character."

*I therefore agree:*

1. I will not force my child to participate in sports.
2. I will remember that children participate to have fun and that the sport is for youth, not adults.
3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or the safety of others.
4. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every event and practice.
5. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.
6. I will not encourage any behaviors or practices that would endanger the health and well-being of the athletes.
7. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
8. I will demand that my child treat other players, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.
9. I will teach my child that doing one's best is more important than winning, so that my child will never feel defeated by the outcome of an event or his/her performance.
10. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.
11. I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.
12. I will emphasize skill development and practices and how they benefit my child over winning.
13. I will promote the emotional and physical well-being of the athletes ahead of any personal desire I may have for my child to win.
14. I will respect the officials and their authority during events and will never question, discuss, or confront the officials.

15. I will provide only supportive comments to coaches and avoid any derogatory comments. If I have a concern(s) to bring to the coach's attention, I will apply the "24 Hour Rule" before having a respectful and private conversation at an agreed upon time and place.
16. I will refrain from coaching my child or other players during events and practices.

In addition to the above guidelines, the coaches, youth committee and other parents ask the following:

**During practice**, it would be appreciated that parents and guardians refrain from walking along the side of the pool during practice, as this may distract swimmers from learning from their coaches.

If you have **any concerns** about how your child is being instructed, please **reach out after swim and dive practice** to our coach staff at [shccsharks@gmail.com](mailto:shccsharks@gmail.com) or by phone **626-367-3415**.

### Locker Room Guidelines & Supervision Requirements

We understand that there may be a need to use the ladies' locker room; however, children under the age of 14 **must** be accompanied by an adult. At no time should any child or pool patron linger in the locker room. Please respect the privacy of others. Additionally, snacks and beverages provided in the locker room are reserved for golfers and women's club activities.

### Supervision & Safety

Coaches and lifeguards are responsible for teaching and ensuring the safety of all pool patrons—they are **not** babysitters. If you drop off your child, please make prior arrangements for another parent or adult to supervise them in case of an emergency.

### Practice Green Etiquette

The practice greens are not a playground. Children must be dressed appropriately and accompanied by an adult when using the practice greens. Children over the age of 10 may use the practice area **only** with prior permission from the pro shop and must adhere to the dress code.

Thank you for your cooperation in maintaining a safe and respectful environment for all to enjoy.
