When you join a PGA Jr. League team, you're joining a movement that's more than 500,000 players strong. Our expert PGA Coaches have created more than half a million smiles and memories through golf... and counting!

How it works

EXPERT COACHING

Behind each and every PGA Jr. League team is a PGA Coach providing a safe, caring and organized environment for every child to become (and stay) a golfer. These experts in the game are provided with flexibility to create a coaching program that works best for their players and families.

TEAMS WITH FRIENDS

Easily one of the best parts of PGA Jr. League is the team component! All kids will be a part of a local team that may consist of anywhere from four or more players.

LEAGUE PLAY

Teams are part of leagues, organized together so that games can be played and local league standings can be kept.

Some leagues may be held entirely at one facility under a PGA Coach. These in-house leagues include multiple teams that practice and play at the same facility each week, though some in-house leagues may travel to other facilities for friendly matches or Play Days.

Other leagues may be formed across multiple facilities, where teams take turns visiting each other's golf courses and playing against one another.

THE PGA JR. LEAGUE FORMAT

Each team is broken down into two-person pairs (or three if a substitute is included) who play together in games.

All PGA Jr. League games are played in a two-person scramble format. This means that both players in a pair hit drives. The best shot is selected, then each player plays from the selected spot, and this process continues until the ball is holed.

The scramble format is key in allowing everyone to hit shots and contribute to the team. PGA Jr. League utilizes match play scoring, which focuses on performance vs. a score-to-par as is traditional with golf.

Within a PGA Jr. League game, pairs play in a head-to-head, 9-hole match. Each match is broken into three flags. Each flag is three holes in a row, and each team has the opportunity to earn points at the end of each flag.
